PERFORMANCE GENUINE \$1234567890

Electricians have discovered that the human brain when at work evolves enough heat to drive an electric motor, through the invention of a thermopile. One of these days editors will be given free passes on railroads on condition that they wear thermopiles in their hats, think hard, and furnish power to run the locomotive.

He skimmed the case at a lively pace, and ever anon his look surveyed with the fire of keen desire the copy-burdened hook. And swift and sly his wary eye each comrade's copy scanned. For

A REMARKABLE SNAKE STORY \$1234567890

A family in San Luis Potosi possessed a very fine rattlesnake. They captured it by means of a forked stick when it was a baby, and had succeeded in domesticating it. In the course of years it grew to be fourteen feet long, and was much attached to its master, and would follow him about the house like a dog. During the recent Storm in San Luis Many Palatial Residences were Violently Attacked Sadly Demoralized by Lightning His Snakeship Nobly Determined to Die for his Benefactor, Therefore he became a Lightning-rod

HOW HE LOVED HIS YOUNGER BROTHER Inter-Colonial \$235,687 Excursionists

"Mabel," said Henry, in spite of his effort to control himself his voice was tremulous, and he spoke with the air of timid desperation which marks the elocution of a man about to ask for the loan of \$5. "Mabel, I do not kneel at your feet to plead for myself, I come here only to beg you to think of my younger brother, George. He--he loves you Mabel, and should you refuse his plea, I tremble for the consequences. He wants a Sister-in-law, one who will be a true sister to him. Will you not be one to him? We go to press too early to give her answer.
